Fleishacker Fund for Philosophy at the University of San Francisco  
UC Berkeley, Dept. of Philosophy*

*Organized by Jan Szaif (UCD), Klaus Corcilius (UCB), and Marjolein Oele (USF)  
Contact: Prof. Jan Szaif, [jmszaif@ucdavis.edu](mailto:jmszaif@ucdavis.edu)*

***How to get to the conference venue:***

**By car:** UCD parking lot #10 is only a few steps from the conference venue. Parking is free on weekends. If you are using a navigation device, you can enter the address 221 First Street to get close to the parking lot.

Once you are parked at the lot, walk across Old Davis Rd and turn right toward A Street (look out for some big old trees!). Voorhies Hall is on the left side of A Street, right across from a small house with the name Guilbert House, 112 A Street.

The entrance to room 126 of Voorhies Hall is located in the right wing of the front side of the building. The room is on the first floor. So don't try to use the elevator.

*If you don't use a navigation device, here are directions:*

Coming from the Bay Area on I-80 East, take the UC Davis exit .

At the end of the ramp, turn left onto Old Davis Rd.

Continue straight ahead on Old Davis Rd through a circle, a traffic light and three stop signs until you cross a small bridge. The entrance to parking lot #10 comes right after the next (forth) stop sign, on the right side of the street.

**By train:** The Amtrak Capitol Corridor trains stop at Davis. From the depot, follow 2<sup>nd</sup> Street all the way to the end (6 blocks), where it hits A street, and turn left.

**By Air:** SuperShuttle vans can take you from the Sacramento International Airport to Davis for a very reasonable rate. As address, give them 112 A Street (the building across), since Voorhies Hall does not have its own street address.
